

CORRECTION

Open Access

Correction: The risk of depression and anxiety is not increased in individuals with juvenile idiopathic arthritis – results from the south-Swedish juvenile idiopathic arthritis cohort

Elisabet Berthold^{1,2,3*}, Alma Dahlberg^{3,4,5}, Anna Jöud^{6,7}, Helena Tydén^{1,2}, Bengt Månsson^{1,2}, Fredrik Kahn^{2,8} and Robin Kahn^{2,3,4}

Correction: *Pediatr Rheumatol* 20, 114 (2022)
<https://doi.org/10.1186/s12969-022-00765-9>

Following publication of the original article [1], we have been notified of minor deviations in the Cox analyses in Figure 2, due to seven controls that lacked date for loss to follow-up. None of the conclusions of the article is altered by this error and all significances remain the same.

The original article can be found online at <https://doi.org/10.1186/s12969-022-00765-9>.
